

### A Christmas Carol

On Christmas Day, Ebenezer Scrooge wakes at the end of his story with a zest for life, and delivers the prize turkey to the Cratchits. Depicted in the most tremendous family feast, there are bountiful bowls and plates of the traditional Festive offering for Tiny Tim, Bob Cratchit and all the Cratchit family!

### Die Hard

"Sugar-enriched flour, partially hydrogenated vegetable oil, polysorbate 60 and yellow dye No. 5. Just everything a growing boy needs". Sergeant Al Powell had somewhat of an unhealthy relationship with Twinkies throughout Die Hard, and John McClane just didn't understand! Our twinkie's are a little more sophisticated than the original, but still make for a fantastic (Christmas...?) treat.

### Nightmare Before Christmas

Worm's Wort Soup is Dr Finkelstein's favourite supper: Frog's Breath, Worm's Wort and Deadly Nightshade. Just a few spoonfuls to send you off to sleep! The One Square version has a few more sought after ingredients, and a few less dramatic side effects. We're sure Dr. Finkelstein would prefer this sweat pea veloute even more!

Sweet pea velouté, truffle crème fraîche

Pork and sage stuffing bon bon with chestnut crumb, spiced apricot ketchup

Lind & Lime gin-cured salmon, dill cream cheese pin wheel, citrus brioche, smoked

poppy seeds

### Santa's Lost Sleigh

We promise our pastry team didn't steal Santa's sleigh! But we're presenting it in dessert form, if we may. Some honey, some vanilla and cranberry too. Perhaps you've brought a friend along, one for them, and one for you.

Honey sponge, vanilla

'Twas the Night before Christmas and all through the house not a creature was stirring, not even a.....chocolate mousse?!

### The Snowman

Raymond Briggs' Snowman 'walking through the air' hand-in-hand with a boy is one of the most famous scenes in UK festive film and literature. Depicted with the iconic green scarf, we think this macaron depiction is just as magical.
