THE ART OF SABRAGE

Dating back to the beginning of the 19th century, Emperor Napoleon's cavalry would traditionally open bottles of champagne using their side sabres on a field of battle. Refined in the early 20th century, the Confrerie du Sabre d'Or has taken pride in celebrating champagne with its artistry for more than 30 years.

Included in the purchase of a bottle of Laurent-Perrier Champagne, discover the Art of Sabrage, and sabre your very own bottle, led by our spectacular Court Sabrage Masters.
