AFTERNOON TEA

The Synopsis

A performance like no other - celebrating theatre, exquisite taste, and timeless elegance, set in the opulent Grand Saloon of Theatre Royal Drury Lane. Inspired by centuries of drama and the romance of the Regency era, this is a stage where legendary heroes, cunning villains, and unforgettable heroines have played their part. Now, as the curtain rises on a new experience, Afternoon Tea takes centre stage.

Every great performance needs a captivating cast — and this one is no exception. Will you root for the Hero? A bold entrance from the free-range Blythburgh pork sausage roll, paired with piccalilli ketchup, sets the scene with savoury strength. Or perhaps it's the Villain who steals the show? Smoky tarama with whipped smoked tofu and rye cracker, topped with breakfast radish, brings a delicious touch of danger. Enter the Femme Fatale: hot smoked salmon layered with horseradish cream on caraway rye melba toast — elegant, alluring, and impossible to resist. And in the final act, we deliver a sweet resolution — but will the love last? Will there be an encore?

Is it the final curtain, or will you be back for more...
